Secondary discipline(s):			

DECLARATION FOR LEAD COLLABORATORS AND HOST INSTITUTIONS

Applications to the ESRC (on behalf of Indian scholars to visit the UK)

We have read regulations and conditions of grant in the current edition of “ESRC Research Funding”, available on the ESRC website at http://www.esrcsocietytoday.ac.uk/ESRCInfoCentre/opportunities/research_funding/index.aspx? and agree to abide by them and any additional conditions attaching to any grant offered and accepted as a result of this application. We have not entered into obligations which conflict with ESRC’s research grant conditions, including obligations to third parties incurred in regard to ownership and use of research and patents.

Applications to ICSSR (on behalf of UK scholars to visit India)

We have read regulations and conditions of grant in the current edition of “ICSSR-ESRC India-UK Scholar Exchanges 2010”, available on the ICSSR website at www.icssr.org and agree to abide by them and any additional conditions attaching to any award offered and accepted as a result of this application. We have not entered into obligations which conflict with ICSSR’s research grant conditions, including obligations to third parties incurred in regard to ownership and use of research and patents.
