Overview

Social science research, which presupposes freedom of intellectual choice and opinion, needs to be encouraged by a developing nation. India has not only encouraged it, but also promoted it with state patronage.

Following the Independence of India in 1947, as part of our nation-building programme there were efforts to make social science a holistic knowledge system. India's problems were unique and the tools available to study them were all invented in the West, which did not always prove useful. A strong need was felt to develop a methodology relevant for understanding Indian complexities in the field of social science research. Integrating our intellectual traditions with the forces of modernisation was a challenge that had its own positive and negative connotations. The State came forward with its interventionist role to take up the daunting task. It could not have been taken up by any other agency both for financial and operational reasons.

Towards this pursuit, on 12th December 1968, the Ministry of Education (now known as Ministry of Human Resource Development), Government of India, established the Indian Council of Social Science Research (ICSSR) as an autonomous organisation. The chief architects of this endeavour included Professor V.K.R.V. Rao, Professor D.R. Gadgil, Professor M.N. Srinivas, Professor P.N. Dhar, Dr. S.K. Mitra and Shri J.P. Naik, among others. The ICSSR

was formally launched in May 1969. It was considered a significant achievement of involving Indian democracy.

Objectives of the Council are:

- To review the progress of social science research and give advice to its users in Government or outside;
- To sponsor social science research programmes and projects and administer grants to institutions and individuals for research in social sciences;
- To arrange for technical training in research methodology and to provide guidance for research;
- To indicate periodically areas and topics on which social science research is to be promoted and adopt special measures for development of research in neglected or new areas;
- To coordinate research activities and encourage programmes of inter-disciplinary research;
- To develop and support centres for documentation services, maintenance and supply of data, inventory of current social science research and preparation of a national register of social scientists;
- To organise, sponsor and finance seminars, workshops, study circles, working groups and conferences for

- promoting research or utilisation of social science research;
- To undertake publication and assist publication of journals/ periodicals/ digests and books in social sciences and to support learned associations/ institutions/ organisations engaged in the conduct or sponsoring of social science research;
- To institute and administer scholarships and fellowships for research in social sciences;
- To advise the Government of India on all matters pertaining to social science research as may be referred to it from time to time, including collaborative arrangements in social science research with foreign agencies;
- To undertake, on any agency basis, such other functions as may be entrusted to it by Government under terms and conditions which may be mutually agreed upon; and
- To take such measures generally as may be necessary to promote social science research and its utilisation in the country.

This is the **47th** Annual Report of the Indian Council of Social Science Research (ICSSR) covering the period from **1st April 2015 to 31st March 2016**. The ICSSR's decision making body, known as the Council, has 26 members, which includes Chairman, **18** Social Scientists, **six** representatives of the Government of India nominated by the Government and Member Secretary appointed by the ICSSR with the approval of the Government of India. The list containing members of the Governing Council is given at **Appendix – 1**.

The ICSSR secretariat is headed by the Member Secretary and has **24** officers and other officials. The ICSSR's professional staff, apart from official duties, are academically active and have also contributed a number of seminar papers and research reports during the year.

Research Promotion

Research Projects (Responsive)

The funding of Research Projects is one of the most important activities of Indian Council of Social Science Research. Under its programme of Research Projects (Responsive) it provides grant to social science scholars for conducting research on specific themes and issues as proposed by the applicants. In general, grants under this head are awarded to a study which proposes to contribute at a theoretical and/or conceptual level or aimed at generation of new field work based data and policy implications thereof. The studies could be both macro and micro in nature. The broad disciplines of study may belong to anyone of the following social science disciplines or may be interdisciplinary in nature:

- I) Sociology and Social Anthropology
- II) Political Science/Public administration and allied disciplines
- III) Economics and allied disciplines
- IV) International Studies
- V) Social Geography and Population Studies
- VI) Commerce and Management
- VII) Social Psychology and allied disciplines
- VIII) Education and allied disciplines

- IX) Social Linguistics/Socio-Cultural and allied disciplines
- X) Law, International Law and allied disciplines
- XI) National Security and Strategic Studies
- XII) Any other Social Science discipline

Objectives

The objectives of the Research Project Programme is to support research and to achieve excellence in research activities in the social sciences.

The specific objectives of the Programme are:

- to support high quality independent programmes of research;
- to provide opportunities for training of future researchers;
- to contribute to the development of elaboration of new theoretical or methodological approaches to research;
- to maintain and sustain varied disciplinary research activities;
- to foster and promote collaborative, multidisciplinary research activities among researchers in the social sciences and;
- to facilitate communication of research

outputs both within and beyond the academic community as well as to provide policy inputs to administrators and policy makers.

The year-wise position of research projects, since the inception of ICSSR, sanctioned/cancelled/withdrawn/closed and reports received till **31st March 2016** is furnished herewith in **Table 2.1**.

During the year 2015-16, **326** research projects were sanctioned by the ICSSR on a wide range of issues. These included **115** projects to **SC** and **44** to **ST** scholars respectively. The final reports of **334** research projects sanctioned in the past were received during the year. The details of Research Projects sanctioned and final project reports received during the year have been given in **Appendix-3**.

Research Projects (Sponsored)

This programme of Research Studies (Sponsored) is a series of research projects conducted simultaneously or sequentially on themes of critical significance, focuses on the issues of contemporary relevance, less explored areas of study and which involves policy implications.

The Indian Council of Social Science Research (ICSSR), under its ‘**Sponsored Studies Programme**’, invited proposals from individual/group of scholars/institutions for commissioning research studies in the following thrust areas of social science research under the XII Five Year Plan 2012-2017:

Themes under Sponsored Research Programme

I

1. Growth, Poverty and Inequality.
2. The Agrarian Crisis.
3. Globalization of Finance and its Implications.
4. Corporate Governance, Ethics and Corporate Social Responsibility.

II

1. Education – Issues Relating to Governance, Access, Equity and Quality.
2. Economic and Social Issues Confronting the Religious Minorities.
3. Economics of Discrimination: Implications for Poverty and Growth.

4. Economic and Social Issues Confronting the Marginalized Social Groups.
5. Social-psychology of Marginalization and Exclusion.

III

1. Changing Nature of Public Protest and Political Mobilization.
2. Identity, Interests and Coalition: Changing Nature of Politics in India.
3. Electoral Reforms and Representative Democracy.
4. Socio-economic Roots of Extremism in India.
5. Law and Justice in the Post-liberalization Era.
6. Changing Dynamics of State Politics: Implication for Indian Federalism.
7. The New Indian Middle Class.

IV

1. Changing Nature of Global Hegemonic Structures.
2. Emerging Challenges of Indian Foreign Policy.
3. Regional and Trans-regional South-South Cooperation.
4. India’s Changing Security Environment.

V

1. The Urban Transformation: Governance, and Socio-Political Articulations.

2. Changing Nature of Caste in Urban and Rural Context: Patterns and Causes.
3. The Post Liberalization Rural Transformation.
4. Culture, Literature and Society: Emerging Trends.
5. Theoretical Issues in Social Sciences.
6. Indian Intellectual Traditions and their Contemporary Relevance.
7. Social Media, Media Ethics and Regulations: the Impending Issues.
8. Research Methodology in Social Sciences with focus on Disciplines of Political Sciences, Sociology, Psychology and Education.

VI

1. Gender Violence - Concept, Pattern and Incidence in Public and Private (Family) Spheres.
2. Gender Violence: Caste, Ethnic, Religious and Regional Dimensions.
3. Social Roots of Gender Violence in India- Processes Related to Economic, Social, Cultural Transformation.

During the year 2015-16, **73** Research Studies were sanctioned by the ICSSR on the themes stated above. A number of **21** final reports of the earlier sanctioned sponsored projects have been received. The details of sanctioned research projects and final projects reports received have been given in **Appendix-3**.

National Fellowships

Indian Council of Social Science Research (ICSSR) under its Research Fellowships Programme, has been offering 'National Fellowships' on its own initiative to eminent social scientists who have made outstanding contribution in their respective fields of Social Sciences. The ICSSR has so far awarded **163** National Fellowships. During the year 2015-16, **10** National Fellowships were awarded and **12** final reports were received (**Table 2.2**).

Senior Fellowships

Senior Fellowships of the ICSSR are awarded to such social scientists who have significant publications including books and research papers to their credit in professional social science research journals. The ICSSR has so far awarded **623** Senior Fellowships. During the year 2015-16, **47** Senior Fellowships were awarded and **28** final reports were received (**Table 2.2**).

Post-Doctoral Fellowships

Post-Doctoral Fellowships of the ICSSR are awarded to such young social scientists who have completed their Ph.D. Degree and are interested in pursuing their research activities further. The ICSSR has so far awarded **1586** Post-Doctoral Fellowships. During the year 2015-16, **321** Post-Doctoral Fellowships were awarded and **142** final reports were received (**Table 2.2**).

The list of National, Senior and Post- Doctoral fellowships awarded and the fellowship reports received during the year are given in **Appendix-4**.

Doctoral Fellowships

The ICSSR provides scholarships to young scholars under the aegis of its ICSSR Doctoral Fellowship programme wherein financial assistance is provided to registered Ph. D scholars to pursue and complete their doctoral theses in social science disciplines. The ICSSR Doctoral Fellowships are awarded under its Centrally Administered Doctoral Fellowship scheme and Institutional Doctoral Fellowship scheme. In case of the Centrally Administered scheme, the programme is administered directly at the ICSSR and the concerned doctoral fellows are affiliated to a University or College whereas under the

Institutional scheme, the doctoral fellows are affiliated to and monitored by an ICSSR Sponsored Research Institute.

During the period under report, **574** doctoral fellowships were awarded including **492** under Centrally Administered Scheme (GEN-275, SC-159&ST-58) and **82** in Institutional Doctoral Fellowships Scheme. Statement of respective fellowships awarded year wise may be seen at **Table 2.4**. Partial Assistance Grant was not given to the doctoral scholars during the year.

The list of the 574 scholars who were awarded the ICSSR Doctoral Fellowships during the year 2015-16 is given at the **Appendix - 4**.

Training and Capacity Building Programme

The ICSSR, as part of its research promotion activities, sponsors short-term training courses in research methodology in order to improve research skills and competence of the young social scientists to undertake research. Research institutions, college/university departments and other academic bodies are provided financial support to organize training courses in Research Methodology in social science research for the benefit of young faculty of colleges/universities and Ph.D students. These training courses are organized on general social science research methodology or on computer applications in social sciences. During the year 2015-16, a total of **102** proposals were approved including **79** under research methodology and **23** proposals in Capacity Building Programme (**Appendix-5**).

National and International Seminars

Under the aegis of the 'ICSSR Seminar Grant Scheme' and its endeavour to encourage dialogue and discussion on important issues of social science relevance, the ICSSR provides partial financial assistance to organise national and international seminars / conferences in India. The ICSSR's Seminar Grant Scheme aims at facilitating research in different disciplines of social sciences and interdisciplinary areas by way of enabling seminars that provide opportunities to national and international social science researchers, academicians and scholars to exchange views and opinions, address and debate research questions on themes of contemporary and policy relevance and generate academic research output on important social issues.

Another major objective has been to promote seminar activities in backward and neglected areas and encourage scholars from special categories like SC, ST, OBC, Minority and Women.

The grant was sanctioned to seminar proposals after evaluation of proposals by an **Expert Committee** keeping in view the proposal's relevance in social science research, its academic conceptualisation and focus on the overarching theme, participation of relevant scholars, perspective and financial requirements. These approved seminar proposals consisting of **149** proposals for organizing international conferences and **462** for national seminars entailed a committed expenditure of over **Rs. 10 crores**.

The lists of seminar proposals approved including their sanctioned amount and convener's category under the National & International Seminars/Conferences categories for the year 2015-16 may be seen at **Appendix-6**.

Special Scheme Programmes

ICSSR Data Service Centre

The use of Information and Communication Technology (ICT) has facilitated the collection, processing, storage and transfer of statistical information at a faster pace during last few decades. The Ministry of Statistical Planning and Implementation (MoSPI), Govt. of India which is a lead organization in the development, management, and dissemination of statistical data in the country, mooted the idea of setting up of **Data Centre in the ICSSR**. The ICSSR signed an Memorandum of Understanding (MoU) with the MoSPI wherein MoSPI agreed to give free of cost

ASI and Unit Level NSS data and also agreed to share capital cost on 50-50 basis.

data repository at their Data Centre in Gandhinagar, and a replica at ICSSR.

ICSSR Data Service aims to facilitate data sharing, preservation, accessibility and reuse of social science research data collected from entire social science community in India and abroad. Information and Library Network Centre (INFLIBNET), Infocity, Gandhinagar, Gujarat, has been assigned the task of hosting

The ICSSR Data Service is to be formally launched by Dr. T.C.A Anant, Secretary, Ministry of Statistics and Programme Implementation (MoSPI) and Chief Statistician, Govt. of India on 20 June 2016 at Indian Council Social Science Research, Aruna Asaf Ali Marg New Delhi.

Documentation

National Social Science Documentation Centre (NASSDOC), a constituent part of ICSSR, is an epitome of library and information support services in the field of Social Sciences. Meeting the challenges posed by technology driven world, it exemplifies the use of digital environment for creating, applying and utilizing information with its automated library collection, web OPAC, online databases / e-resources etc. It has effectively attuned itself to the web-enabled information environment and is marching ahead.

Library and Reference Service

The Library of ICSSR - NASSDOC has a wide range of collection (39000) of reference sources like bibliographies, encyclopaedias, directories etc.; grey collection consisting of doctoral theses, research project reports; special collection on research methodology, research surveys and strategic collection on all social science disciplines including library & information science and computer & information technology. The collection is also augmented by **12,000** bound volumes of journals. The library is open from **9:30 AM to 6:00 PM** from **Monday to Saturday** and is closed on Sundays and all gazetted holidays.

A total number of **4670** research scholars visited NASSDOC during the year 2015-16. A large number of reference queries were attended on telephone, in person and through

correspondence/ e-mail/ fax/ etc. Research related information was provided to scholars from NASSDOC's collection, its in-house databases and by exploring electronic sources and several other Internet based resources.

Library Membership

ICSSR-NASSDOC library's membership is open to the following categories of readers:

Official Members: These include ICSSR Council members / senior officials of the ICSSR secretariat and regular professional staff of the ICSSR (i.e. Research Assistants / Documentation Assistants and above). They are entitled to borrow books from the library.

Consulting Members: Consultation facility is extended to academicians, research scholars, students and members of general public that may include retired persons and other categories of readers as well. Consultation membership fee is Rs.200 per annum (minimum Rs.50 for one month)

Borrowing Members: Borrowing facility is extended to social scientists, academicians, students and general readers who are registered as members of the library. Books are issued against a deposit of Rs.500/- per book. Two books can be issued to individual member at a time.

Institutional Members: Institutional membership is available against a payment of Rs.4000/- per annum. Five books can be

borrowed by an institutional member for a period of one month.

There is no fee for guest readers who want to consult the library for a day or two. They are issued a guest card for the day.

Library membership form is available at library counter and can also be downloaded from ICSSR website www.icssr.org.

A total number of **232** scholars have taken membership during the year and **four** institutions have renewed their membership.

Circulation of Documents (Issue / Return)

The scholar using services of NASSDOC is usually a researcher who is working for his / her Doctorate / Post Doctorate or writing a conference paper or working on some research project. For this purpose he/she needs journals/articles, grey literature including institutional papers e.g. working papers/discussion papers / occasional papers. This is a consultation collection which has to be used in the reading room only by a scholar. However, a total number of **336** documents, other than grey literature, were circulated among ICSSR staff members and other borrowing members.

Inter-library Loan

For providing books/ journals to scholars/libraries, which are not available in NASSDOC, it gets them on loan from other libraries. Similarly, books and journals are issued to outside libraries. During the year, **168** books were issued to outside libraries. NASSDOC is a member of DELNET (Developing Libraries Network). Its services are also used for inter-library loan.

E-Resources

Two computer terminals in the reading hall are specifically devoted for the use of e-resources. Members can also refer online journals in the library. Ten online e-resources (all subscribed) and other digital resources are available for use in the library. These e-resources were used by **378** scholars in NASSDOC premises. Besides these scholars, the e-resources were also used for answering reference queries, for compilation of bibliographies and for providing other services of NASSDOC.

Acquisition of Research Material: Books / Theses / Periodicals / e-resources

During the year, **252** documents have been added to the NASSDOC collection. It included **139** books and conference papers / proceedings by purchase and **113** were received as gift in paper format. **Three** e-books were also added to the collection. **105** journals (Foreign and Indian) were also subscribed. **196** periodicals were received through gratis. In addition to this, **18** daily newspapers and **12** popular magazines were also subscribed for the readers. Annual Reports of Ministries and Departments of Govt. of India and various institutes were also added to the collection of NASSDOC. Following e-resources were subscribed for NASSDOC:-

1. J-Gate Social & Management Science.
2. J-Gate Library & Information Science.
3. LISTA with full text (Library, Information Science and Technology Abstracts).
4. Political Science Complete (EBSCO).
5. PsycArticles (Proquest).

6. Sage Research Methods Online (Sage).
7. SocIndex with Full Text (EBSCO) (Sociology).
8. DELNET (Developing Library Network, gives accesses to 11 databases).
9. World Politics Review.

ICSSR Consortium of e-resources in Social Science:

In order to enhance capacities of its Research Institutes and Regional Centres for advancing knowledge in social sciences, ICSSR subscribed following e-resources during 2015-16 for them and NASSDOC:

1. EconLit with Full Text (EBSCO) (32 sites).
2. IndiaStat and its all other associate sites (Datanet India) (30 sites).
3. JSTOR (ITHAKA) (25 sites).
4. Prowess IQ (Centre for Monitoring Indian Economy) (32 sites).

Compilation of Short Bibliographies / Literature Search Service

During the year, **40** short and select bibliographies with abstracts (**Appendix -11**) on various topics related to social sciences research were compiled and supplied to research scholars and ICSSR officers on the basis of demand received from them.

Continuing Education Programme

In order to keep in touch with the latest developments and to develop specialised skills in accessing social science information, NASSDOC organises short-term training

workshops / seminars / interactive sessions and lectures under its 'Continuing Education Programme' on regular basis. These programmes provide an easy way to refine and upgrade the information locating skills of information professionals, researchers and others who are working in academia, business and government. These training courses are constantly improved using feedback received from the participants and the resource persons. Following workshops/ seminars were organised: -

1. National workshop - cum - training programme on 'Knowledge Organisation' during 26-30 October 2015 at Mizoram University, Aizwal, Mizoram.
2. ICSSR training workshop on 'Next Generation Librarianship' during 18-21 January 2016 at Centre for Research and Industrial Staff Performance (CRISP), Bhopal, Madhya Pradesh.
3. ICSSR training workshop on 'Content Management System and Social Science Research' during 15-18 March 2016 at Madhya Pradesh Institute of Social Science Research (MPISSR), Ujjain, Madhya Pradesh.

Value Added Services

Social Science Conference Alert

It is a quarterly publication of forthcoming conferences, seminars, workshops, courses etc. in social sciences and other cognate disciplines. The main objective of this publication is to disseminate advance information about the forthcoming conferences and seminars to interested schools and persons who intend to participate in the seminar. During the year

four issues of *Social Science Conference Alert* were brought out.

New Arrivals

The purpose of this service is to let the scholar know what NASSDOC has procured in his/her field of research. **NASSDOC New Arrivals January – March 2016** with supplement of **April – December 2015** was brought out. NASSDOC New Arrivals is a bibliographical listing of Research Reports, Reference Works, Books, Ph.D. Theses, etc. acquired during a particular quarter available for use in the NASSDOC library.

Educational Tour

NASSDOC is a part of curriculum of various Library and Information Science schools of Indian universities and other educational institutions. Students and teachers of these universities and institutions visit NASSDOC to acquaint themselves with its programmes, services and technology used in its services. The students of library and information science and trainees from the following universities / departments visited NASSDOC as a part of their study tour / course programme:-

Research Survey and Publications

ICSSR Journals of Abstracts and Reviews

The ICSSR has been publishing its Journals of Abstracts and Reviews' biannually in the disciplines of Geography, Economics, Psychology, Political Science and Sociology & Social Anthropology containing the abstracts and reviews of the published research work. This overview of the empirical as well as conceptual work available in some select journals in the form of ready-reckoner of sources to facilitate researcher's initiation into research has been organised thematically to give an idea of the contemporary and emerging concerns of the social scientists on issues India is grappling with as well as to underline some of the issues that deserve greater attention from researchers. The ICSSR, after reviewing the programme, took a decision to commence a new digitalised series of these journals from the year 2008.

The following journals have been digitalised during the year 2015-16:

1. ICSSR Journal of Abstracts and Reviews in Political Science: Vol. 38 (No.1 & 2), 2012.
2. ICSSR Journal of Abstracts and Reviews in Psychology: Volume 18 (No.1), 2012.

The following journals were under publication during the period under report:

1. ICSSR Journal of Abstracts and Reviews

in Economics: Volume 14, No.2 (January –June 2012).

2. ICSSR Journal of Abstracts and Reviews in Psychology: Volume 18, No.1 (July – December 2012).

Research Survey Programme

The Council, since inception, has undertaken the task of surveying research developments in chosen disciplines of social sciences through its programme of surveys of research. The core objective of the surveys has been to have a comprehensive overview of research undertaken during a specified period, involving stock-taking of what has been achieved in the discipline in terms of theory, methodology, empirical evidence and gaps which need to be prioritised for future agenda.

The Council has undertaken the **Sixth Round of ICSSR Research Survey** in the discipline of Psychology, Political Science, Geography, Sociology & Social Anthropology and Economics covering the period preferably 2003-2009. An 'Advisory Committee' consisting of eminent social scientists was formed to oversee the work of Research Surveys. The surveys have been renamed as 'Surveys and Explorations', The survey reports pertaining to Political Science & Sociology and Social Anthropology have already been published published by **M/s Oxford University Press (OUP)**, New Delhi.

The final reports pertaining to '**ICSSR Research Survey and Explorations in Economics and Geography**' were released by Prof. Sukhadeo Thorat, Hon'ble Chairman, ICSSR during **17-18 September 2015 and 22-23 March 2016** respectively at glittering functions organized by the ICSSR at JNU Convention Centre, New Delhi. A National Conference was also organized to commemorate the occasions. The conferences were attended by eminent social scientists including the Chief Editors, Theme Editors and Paper Contributors belonging to the respective reports and volumes representing central, state universities and other esteemed organizations in the disciplines of Economics and Geography. The Volumes were published by Oxford University Press (OUP), New Delhi.

The final Research Survey Report pertaining to **Psychology** is likely to be ready by December 2016.

Other Programmes

During the period, publication grant was given to **23** Doctoral Theses and Research Reports for their publication. Adhoc grant-in-aid was also given to **59** professional organizations/associations of social scientists for publication of their research journals /maintenance and development. The detailed list of doctoral theses/research reports published and professional associations/organisations is given at **Appendix-7**.

Regional Centres

Regional Centres

The Regional Centres were established as part of the Council's programme of decentralising administration, broad basing social science research, and involving social science institutions in the region in promoting social science research. Their main roles were defined as follows:

- Represent ICSSR within the region and spread the message and the programmes of ICSSR to social scientists in the region;
- Bring the ideas and problems of the social scientists of the region to the notice of ICSSR for possible action;
- Bring the social scientists of the region closer for promoting social science research within the region; and
- Serve as a link between the social scientists of the region and the national and international community of social scientists.

Activities

- Promoting documentation and bibliographical work in the regional languages;
- Organizing seminars/workshops/conferences in the region;
- Organizing lectures by distinguished scholars;

- Assisting regional professional associations of social scientists and social science research journals in the regional languages;
- Providing low-cost accommodation (wherever possible) to scholars/students visiting the place for library or field work;
- Awarding study grant to scholars for visiting libraries and institutions for academic work;
- Providing photocopying facilities to scholars, especially photocopies of selected articles from journals etc.; and
- Any other activity that may promote social science research in the region and/or any such activity that may be delegated by ICSSR.

Regional Centres have developed infrastructure and research support facilities over the years with the assistance provided by the ICSSR and the host institute. These include hostel/guest house facilities, library space, conference halls, seminar rooms and reprographic facilities etc.

Research Institutes

Background

The Indian Council of Social Science Research provides maintenance and development grant to **25 Research Institutes**. Sponsoring of Research Institutes outside the scope of the University Grants Commission has been one of the major programmes of the Council in enlarging the base of social science knowledge, improving the quality of research, and promoting an interdisciplinary perspective. These Research Institutes constitute an important mechanism for implementing the Council's policy of dispersal of research talent and building up of research capabilities in different regions of the country, particularly in the areas where social science research is not yet well developed.

The research institutes have established close links with the scholars in the region and elsewhere through various activities such as seminars, workshops, training and consultancy programmes. Some of the research institutes are closely associated with national and state level planning and development agencies, and have thereby strengthened the links between research and policy-making.

Each research institute determines its own direction of research, which includes a wide spectrum of subjects related to agricultural and rural development, industrial structure and growth, income distribution and poverty, employment and wages, inter-regional

differences in levels of development, education, health, nutrition, problems of weaker sections of society including women, energy, technology, ecology and environment, and social, cultural and institutional aspects of development. Thus, research studies have generated substantial empirical knowledge of the structure of Indian economy, polity and society and their dynamics both at the national and regional levels.

During the last five years, the Research Institutes have completed **1298** research projects, while **2046** are on-going. These projects cover a wide spectrum of issues relating to areas that are already mentioned above. What is more significant in these research efforts is that they are not only interdisciplinary in nature, but have also focused their attention on regional and local problems. In this process, they have become centres of research for the region's specific issues and have greatly contributed to an awareness of the nature of development problems and potential of the country as a whole. In terms of publications, the research institutes have brought out **699** books and **806** working papers during the last five years.

Another important activity that has been given importance by the Council is the training of young social scientists by the research institutes through M.Phil. and Ph.D. programmes, workshops and seminars. During the last five years, **187** scholars have been awarded Ph.D. degrees and **1980** scholars

are working on their Ph.Ds. The Council can legitimately take pride in its role in promoting research and training efforts made by the research institutes. A total of **236** projects were completed in these research institutes during the year under report. The total number of ongoing studies at the end of the year was **344**.

Research Institutes disseminate the results of their research studies in the form of published books, research articles, mimeographs, working/occasional papers, etc. During the year under report, the number of books published was **107**, monographs/mimeographs were **63** and working/occasional papers were **203**. The number of research papers published was **722**.

The Institutes also undertake training of young social scientists and assist fresh researchers in designing and conducting their research. To this end, doctoral fellowships have been provided to these Institutes. Some of the Research Institutes have been assisting in teaching and training programmes for M.Phil. and Ph.D. students. In addition, as per the Council's policy, they participate in postgraduate teaching, research guidance in the universities and also involve the university teachers in their research programmes. During the year, **590** scholars were working under the guidance of the faculties of the Research Institutes, **38** were awarded Ph.D. degrees and **27** scholars submitted their doctoral dissertations. A total of **505** seminars/ conferences/ workshops were held during 2015-16.

		Other Misc. Expenses	0.00
Excess of Income over expenditure	156.40 #		
Total:	2084.87	Total:	2084.87

Reasons for Excess of Expenditure over Income:

- 1) The overspent grant of Rs.61.90 lakhs under Non-plan/Plan is due to late receipt of the final instalment of Non-plan grant from ICSSR and as the Plan grant from State Government was also received late, some of Plan studies were postponed.
- 2) Funds released for the sponsored projects are to be utilized for completion of studies which may be completed in subsequent years. The overspent amount of Rs.91.41 lakhs under sponsored projects & seminars & workshops represents the completion of projects of earlier years from available project funds.
- 3) The excess amount spent under Fellowship to the tune of Rs.3.09 lakhs is due to payment of the fellowship from the available amount due to late release of sanctioned grants.

Accounts

**Separate Audit Report of the Comptroller & Auditor General of India on the
Accounts of Indian Council of Social Science Research, New Delhi
for the year ended 31 March 2016**

We have audited the attached Balance Sheet of Indian Council of Social Science Research (ICSSR) as at 31 March 2016, the Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 20(1) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. The audit has been entrusted for the period upto 2018-19. These financial statements include the accounts of six Regional Centres of the ICSSR. Out of these, one Regional Centre was audited and comment included in the report. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.
3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.
4. **Based on our audit, we report that:**
 - i We have obtained all the information and explanations, subject to the observation in the report, which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - ii The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up except mentioned in comment No. D.2 in the format prescribed by the Government of India, Ministry of Finance.
 - iii In our opinion, proper books of accounts and other relevant records, except as stated in the report, have been maintained by the ICSSR in so far as it appears from our examination of such books.
 - iv We further report that:
- A. **Balance Sheet**

A.1 Liabilities

A.1.1 Current Liabilities & Provisions (Schedule-7 & I-A) - Rs. 130.30 lakh

- (i) The above does not include unutilised grant-in-aid of Rs. 3.39 crore out of the grants received from the Ministry of Human Resource Development (Plan & Non Plan) and Ministry of Minority Affairs. This has resulted in understatement of Current Liabilities & Provisions and overstatement of Corpus/Capital Fund by like amount.
- (ii) No liability was provided for expenditure incurred of Rs. 94.87 lakh which relates to the year 2015-16. This resulted in understatement of Current Liabilities and provision and expenditure by the Rs. 94.87 lakh.

A.2 Assets

A.2.1 Fixed Assets (Schedule-S & I-A) - Rs. 2046.761akh

ICSSR deposited with NDMC Rs. 14.54 lakh and Rs. 10.20 lakh for energization of Substation at 35 Ferozshah Road, NASSDOC office & Library. Though, the work had been completed and the balance amount has been settled with the NDMC (December 2008) the amount has been shown in the accounts under advances. This has resulted in understatement of Fixed Assets and overstatement of Current Advances by Rs. 24.74 lakh. This was pointed out in the last year SAR but no action has been taken by the ICSSR.

A.2.2 Current Assets, Loan & Advances etc. (Schedule 11 & I-A) Rs. 1605.33 lakh

- (i) The above does not include amount of Rs. 54.42 lakh receivable from the Chintan Guest House on account of ICSSR Share of Chintan Guest House receipts for the period from August 2015 to' March 2016. This has resulted in understatement of Current Assets, Loan & Advances, income as well as Capital/Corpus Fund by Rs. 54.42 lakh.
- (ii) ICSSR released Maintenance grant amounting to Rs. 37.14 crore to 25 Research Institutions which was booked in the accounts as expenditure on Grant-in-aid. The unspent grant-in-aid of Rs. 1.77 crore with 10 Research Institutions was not shown in the accounts as assets. This resulted in understatement of Current Assets and overstatement of Expenditure by Rs.1.77 crore.

B. Income & Expenditure Account

B.I Expenditure

As per the Significant Accounting Policy No. 4.1 depreciation is provided on written down value method as per the rates specified in the Income Tax Act, 1961. However, the depreciation on the library books has been charged at the rate of 100% whereas the rate prescribed as per the income Tax Act is 60%. This has resulted in overstatement of depreciation and understatement of Fixed Assets by Rs. 2.18 lakh. The depreciation charged for the previous years also need to be recalculated. This was pointed out in the last year report but no action has been taken by the Council.

C. Significant Accounting Policies and Notes on Accounts

As per Accounting Policy No. 10, liability towards gratuity payable on death / retirement of employees and leave encashment benefit to employees is accounted on actual

basis, which is in contravention of the Uniform Format of Account and Accounting Standard 15 which stipulates that provision should be made in the accounts for retirement benefits on the basis of actuarial valuation.

D General

D.1 Current Assets, Loan & Advances (Sch-II) does not include closing balance of Rs. 0.86 lakh under franking machine resulting into understatement of Current Assets, Loan & Advances and overstatement of Expenditure by like amount.

D.2 Bank-Reconciliation

Scrutiny of the Bank Reconciliation statements revealed the following discrepancies

Sl. No.	Bank Account	Cheques issued but not presented for payment in bank	Cheques/ Demand Drafts deposited but not credited	Amount debited by bank but not taken in Cash Book	Amount credited by Bank but not taken in Cash Book
1.	Canara Bank A/c 84741010500001	2959973/- (72 cases from July 2011 to Apr 2013)	178136 (13 cases from Mar 2007 to May 2013)	Rs. 344249/- (15 cases Feb 2011 to June 2013)	RS.2697017/- (8 cases from Nov 2012 to Feb)
2.	Canara Bank A/cno. 50825	Rs.482000/- (23 cases from Oct 2013 to Nov 2015)	Rs. 182450/- (163 Cases from July 2013 to Feb 2016)	Rs.1550685/- (63 cases from May 2013 to Mar 2016)	Rs. 778966/- (26 cases from June 2013 to Jan 2016)
3.	Canara Bank A/c no. 50826	Rs. 24310508/- (137 cases from June 2013 to Dec 2015)	Rs. 6799301/- (31 cases from June 2013 to Feb)	Rs. 5148237/- (105 cases from June 2013 to Mar)	Rs. 5945601/- (7 cases from Dec 2013 2016)

Cheques issued but not presented for payment have become time-barred and should be written back in the accounts. Cheques deposited in bank but not credited by bank need to be pursued with the bank to get credit of these amounts. Amount debited by the banks but not taken in the cash book needs to be reviewed.

D.3 Consolidated Receipts & Payments Account and Income & Expenditure Account of ICSSR (Hqrs.) and six RCs have not been prepared. Two sets of Receipts & Payments Account and Income & Expenditure Account have been prepared i.e. one for ICSSR (Hqrs.) and another for its RCs. This does not give a complete view of the financial activities of ICSSR.

D.4 Scrutiny of annual accounts of ICSSR for the year 2015-16 and the annual accounts

of the regional centres revealed following differences under the head 'grants received from head office':

Name of Regional Centres	As per Combined R&P A/c of RCs	As per Combined I&E A/c of Res	As on Grant booked in Hqrs A/c 4-B)
Hyderabad	12857200	8800000	12850000
Mumbai	9000000	9000000	9300000
Kolkata	8350000	8158942	8350000
Shillong	12994000	14665780	12900000
Chandigarh	13150000	13610000	12530000
New Delhi	7032100	7032100	6750000

The difference between the three set of figures needs reconciliation.

D.5 GPF and CPF accounts need to be maintained and reflected separately.

E. Grants-in-aid

ICSSR had an un spent balance of Rs. 252.33 lakh (Plan: Rs. 5.23 lakh and Non Plan: Rs. 247.10 lakh) of previous year. During the year 2015-16, ICSSR received a total grants of Rs.17171.85 lakh (Plan: Rs.11182.26 lakh and Non-Plan: Rs.5989.59 lakh) from the Government of India, Ministry of Human Resource Development, Department of Secondary and Higher Education. Out of which, 3462.99 lakh (Plan: Rs.2000.00 lakh and Non-Plan: Rs.1462.99 lakh) was received during the month of March 2016. During the year, Council has its own receipts for.Rs.187.45 lakh (Plan: Rs.129.74 lakh and Non-Plan:

Rs.57.71lakh). The ICSSR utilised Rs. 17272.85lakh (Plan: Rs. 11313.31 lakh, and Non-Plan: Rs.5959.54 lakh) leaving a balance of Rs.338.78 (Plan: Rs.3.92 lakh, and Non-Plan: Rs.334.86 lakh).

It had Rs.0.69 lakh unspent balance of previous year of Ministry of Social Justice & Empowerment and ICSSR received grant of Rs.40.02 lakh from the Ministry of Minority Affairs. Out of which, it utilised Rs. 22.35 lakh and leaving a balance of Rs, 18.35 lakh (Rs.17.66 lakh Ministry of Minority Affairs and Rs.0.69 lakh Ministry of Social Justice & Empowerment).

F. Management letter: Deficiencies which have not been included in the Audit Report have been brought to the notice of the Chairman, ICSSR, through a management letter issued separately for remedial/corrective action.

v) Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income and Expenditure Account and Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.

- vi) In our opinion and to the best of our information and according to the explanation given to us, the said financial statements, read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India:-
- a) in so far as it relates to the Balance Sheet of the state of affairs of the Indian Council of Social Science Research, New Delhi as at 31 March 2016; and
- b) in so far as it relate to the Income and Expenditure Account of the deficit for the year ended on that date.
